

Emily J. Jones

Research Associate, University of Pittsburgh, Learning Research and Development Center, 3420 Forbes Avenue, Pittsburgh, PA, 15213; Email: emj63@pitt.edu

Professional Appointments

2024 - present **Research Associate**, Learning Research and Development Center, University of Pittsburgh
2023 - 2024 **Research Scientist**, Department of Psychology, University of Pittsburgh
2021 - 2023 **Postdoctoral Fellow**, Cardiovascular Behavioral Medicine Training Program, Department of Psychiatry, University of Pittsburgh

Education

2021 **PhD, Biobehavioral Health**, The Pennsylvania State University
2018 **M.S., Biobehavioral Health**, The Pennsylvania State University
2014 **M.Phil.Ed., Professional Counseling**, University of Pennsylvania
2013 **M.S.Ed., Counseling & Mental Health Services**, University of Pennsylvania
2011 **B.A., Psychology** (with honors), The College of New Jersey

Honors and Awards

2023 Scholar, Young Investigator Colloquium; American Psychosomatic Society
2020 Gerald E. McClearn Graduate Student Award; College of Health & Human Development, The Pennsylvania State University
2019, 2020 Edward R. & Helen Skade Hintz Graduate Enhancement Fellowship Award; Department of Biobehavioral Health, The Pennsylvania State University
2019 Dissertation Award; Department of Biobehavioral Health, The Pennsylvania State University
2019 Limited Endowed Funds for Dissertation Research Award; College of Health & Human Development, The Pennsylvania State University
2019 Graduate Student Research Award; Department of Biobehavioral Health, The Pennsylvania State University
2012, 2013 Merit Scholarship; Applied Psychology & Human Development Division, University of Pennsylvania
2012 Segal AmeriCorps Education Award; Corporation for National & Community Service

National Research Grants and Fellowships

2026 - 2031 R01; NIH/National Heart, Lung, and Blood Institute
 Title: *Overlooked Socioeconomic Determinants of Adolescent Cardiovascular Health: Family Wealth, Assets, and Debts*
 Role: Principal Investigator
 Co-Investigators: Elizabeth Votruba-Drzal, PhD & Portia Miller, PhD
 Total costs: \$3,562,553

2024 - 2026 Loan repayment Program (LRP); NIH/National Heart, Lung, and Blood Institute
 Title: *Socioeconomic upward mobility and cardiovascular disease risk among men from low-income backgrounds*
 Role: Principal Investigator

- 2021 – 2023 Ruth L. Kirschstein National Research Service Award Institutional Training Grant (T32); NIH/National Heart, Lung, and Blood Institute
 Title: *Cardiovascular Behavioral Medicine Postdoctoral Training Fellowship*,
 Department of Psychiatry at University of Pittsburgh; PIs: Peter Gianaros, PhD & Rebecca Thurston, PhD (Award number: 5T32HL007560-37)
 Role: Postdoctoral Fellow
- 2019 – 2021 Ruth L. Kirschstein National Research Service Award Individual Predoctoral Fellowship (F31); NIH/National Heart, Lung, and Blood Institute
 Title: *Physiological Well-Being and Chronic Disease Risk Among First-Generation College Students* (Award number: F31HL149179)
 Role: Predoctoral Fellow/Mentee, Principal Investigator
 Total costs: \$71,108

Selected Presentations

* = Authors equally contributed to the article; + = trainee author

Sites, A.+, Liller, A., Morris, T., **Jones, E.**, Votruba-Drzal, E., Hanson, J., Gibson-Davis, C., & Miller, P. (2026, April). *Planning for the Future: How Adolescents' Life Expectations are Associated with Mental Health Outcomes*. Poster presented at the biennial meeting of the Society for Research on Adolescents, Toronto, Canada.

Liller, A. +, **Jones, E.J.**, Miller, P., Hanson, J., Gibson-Davis, C., Votruba-Drzal, E., (2025, May) *Concordance Counts: How Parent-Teen Agreement on Mental Health Barriers is Associated with Service Access*. Poster presented at the biennial meeting of the Society for Research in Child Development, Minneapolis, MN.

Fields, D. +, **Jones, E.J.**, Morris T. +, Miller, P., Hanson, J., Gibson-Davis, C., & Votruba-Drzal E. (2025, May). *Exploring Relations Between Family Wealth and Adolescent's Future Expectations*. Poster presented at the biennial meeting of the Society for Research in Child Development, Minneapolis, MN.

Morris, T. +, Fields, D. +, Votruba-Drzal, E., Hanson, J., **Jones, E.J.**, Gibson-Davis, C., & Miller, P. (2025, May). *Exploring Associations between Adolescent Internalizing and Externalizing Symptoms and Expectations for the Future*. Poster presented at the Society for Research in Child Development, Minneapolis, MN.

Jones, E.J., Natale, B.N., Blatt, L.R., Votruba-Drzal, E., Miller, P., Marsland, A., & Sadler, D.C (2024, March). *Historical structural racism in the built environment and physical health in Allegheny County, Pennsylvania*. Oral paper presented at the American Psychosomatic Society Annual Convention, Brighton, UK

Jones, E.J., Miller, P., Natale, B.N., Marsland, A.L., Shaw, D.S., & Votruba-Drzal, E. (2024, March). *Childhood Socioeconomic Circumstances at the Family and Neighborhood Level in Relation to Cardiovascular Health in Adulthood*. Oral paper presented at the American Psychosomatic Society Annual Convention, Brighton, UK

Natale, B.N., **Jones, E.J.**, Pickul, J., Dupree, T., Damon, S., Votruba-Drzal, E., Shaw, D.S., & Marsland, A.L. (2024, March). *Childhood Family Environment and Adult Cardiometabolic Health: Comparing Prospective and Retrospective Assessments*. Oral paper presented at the American Psychosomatic Society Annual

Convention, Brighton, UK

Damon, S., Dupree, T., Natale, B., **Jones, E.J.**, Shaw, D.S., Votruba-Drzal, E., & Marsland, A.L. (2024, March). Childhood Income, Food Insecurity, and Cardiometabolic Risk in a High-Risk Sample of Adult Men. Oral paper presented at the American Psychosomatic Society Annual Convention, Brighton, UK.

Jones, E.J., Marsland, A.L., Kraynak, T.E., Votruba-Drzal, E., & Gianaros, P.J. (2023, March). *Is lower subjective social status associated with longitudinal changes in systemic inflammation?* Oral paper that was to be presented at the American Psychosomatic Society Annual Convention, San Juan, PR.

Jones, E.J., & Schreier, H.M.C. (2022, March) *First-generation college students have greater systemic inflammation than continuing-generation college students following the initial college transition.* Oral paper presented at the American Psychosomatic Society Annual Convention, Long Beach, CA.

Ganguli, A., **Jones, E.J.**, Feinberg, M.E., & Schreier, H.M.C. (2021, September). *Association between parent work-family conflict and offspring inflammation.* Poster presented at the International Society of Psychoneuroendocrinology Virtual Conference.

Jones, E.J. (2021, March). *An examination of factors associated with cardiovascular disease risk markers among first- versus continuing-generation college students.* Talk presented to the Cardiovascular Behavioral Medicine Training Program in the Department of Psychiatry, University of Pittsburgh.

Jones, E.J., Smyth, J.M., Wadsworth, M.E., & Schreier, H.M.C. (2020, May). *Both college generation status and childhood adversity predict college adjustment.* Poster accepted to be presented at the Association for Psychological Science Annual Convention, Chicago, IL (note: conference cancelled due to COVID-19).

Jones, E.J., Rohleder, N., & Schreier, H.M.C. (2020, March). *Neuroendocrine coordination and youth behavior problems: A review of studies assessing sympathetic nervous system and hypothalamic-pituitary adrenal axis activity using salivary alpha amylase and salivary cortisol.* Poster accepted to be presented at the American Psychosomatic Society Annual Convention, Long Beach, CA (note: conference cancelled due to COVID-19).

Jones, E.J., Font, S.A., & Schreier, H.M.C (2019, March). *Childhood maltreatment, adolescent psychosocial characteristics, and physiological and psychological well-being in adulthood.* Poster presented at the American Psychosomatic Society Annual Convention, Vancouver, British Columbia, CA.

Jones, E.J., Chen, E., Levine, C.S., Lam, P.H., Liu, V.Y., & Schreier, H.M.C (2018, March). *Aspects of the parent-child relationship and parent metabolic outcomes.* Poster presented at the Annual Graduate Exhibition at the Pennsylvania State University, University Park, PA

Jones, E.J., Lam, P.H., Hoffer, L., Chen, E., & Schreier, H.M.C (2018, March). *Chronic family stress and adolescent health: The moderating role of emotion regulation.* Poster presented at the 76th American Psychosomatic Society Convention, Louisville, KY.

Teaching Experience

Fall 2022 PSYCH 1775: Biopsychology of Health Inequalities
Co-Instructor with Peter Gianaros, PhD

Guest Lectures

Fall 2019 **Applying for fellowships and awards**
BBH 597: Orientation to Graduate Program; Instructor: Jennifer Graham-Engeland, PhD

Summer 2019 **Associations between parents' substance misuse and children's psychological well-being**
BBH 143: Drugs, Behavior, and Health; Instructor: Marzieh Majd, PhD, Pharm.D.

Spring 2019 **The health and well-being of first-generation college students**

BBH 302: Diversity and Health; Instructor: Lori Francis, PhD
 Spring 2017 **Trauma-informed care and counseling interventions**
 BBH 432: Biobehavioral Aspects of Stress; Instructor: Sheila West, PhD

Teaching Assistant Experience

Spring 2018 BBH 311: Interdisciplinary Integration in Biobehavioral Health
 Instructor: Kyle Murdock, PhD
 Fall 2017 BBH 311: Interdisciplinary Integration in Biobehavioral Health
 Instructor: Hannah Schreier, PhD
 Spring 2017 BBH 432: Biobehavioral Aspects of Stress
 Instructor: Idan Shalev, PhD
 Spring 2017 BBH 432: Biobehavioral Aspects of Stress
 Instructor: Sheila West, PhD
 Fall 2016 BBH 416: Health Promotion II: Planning, Implementing & Evaluation
 Instructor: JoAnn De-Fiore, PhD
 Fall 2016 BBH 310: Research Strategies for Studying Biobehavioral Health
 Instructor: Hannah Schreier, PhD

Supervisory/Mentoring Experience with Predoctoral Candidates

University of Pittsburgh

Trainee	Milestone	Field of Study	Role
Amber Liller	Master's defense	Clinical/Developmental Psychology	Committee member
Amber Liller	Master's proposal	Clinical/Developmental Psychology	Committee member
Maya Martinko	Master's defense	Clinical/Biological Health Psychology	Committee member
Maya Martinko	Master's proposal	Clinical Biological Health Psychology	Committee member

Professional Service

2023-2024 Pen Pal, Letters to a Pre-Scientist (program to support exploration of STEM careers among middle school-aged youth)
 2022-present Editorial Board (junior member), *Annals of Behavioral Medicine*
 2022 Assistant to President Anna Marsland in organizing and preparing for the annual conference for the Academy of Behavioral Medicine Research in Woodstock, Vermont in June 2022
 2021-2022 Leadership committee member for the Association for Psychological Science's task force event titled, "Psychology Meets Biology in COVID-19: What We Know and Why it Matters for Public Health." Working group led by Drs. Kavita Vedhara, Anna Marsland, Sarah Pressman, Kieran Ayling, Cameron Wiley, and Emily Jones. Over 1400 registrants for event on January 21, 2022. <https://www.psychologicalscience.org/psychology-biology-covid-19>
 2016-present Ad-hoc reviewer for: *Annals of Behavioral Medicine*; *Biological Psychology*; *Brain, Behavior, and Immunity*; *Developmental Science*; *Health Promotion and Chronic Disease Prevention in Canada*; *Health Psychology*; *International Journal of Behavioral Medicine*;

Journal of the American Heart Association; Journal of Psychiatric Research; Psychology, Health, and Medicine; Psychosomatic Medicine; Research on Aging; Sleep Health

- 2020-2023 Conference abstract reviewer for the American Psychosomatic Society annual convention
- 2021 Judge for The Pennsylvania State University's Annual Graduate Research Exhibition
- 2020-2021 Judge for The Pennsylvania State University's Annual Undergraduate Research Exhibition

Professional Membership

Society for Biopsychosocial Science and Medicine

Research Experience

- 2023 – present **Research Scientist/Associate**, Poverty, Inequality, and Early Childhood Experiences (PIECE) Laboratory; PI: Elizabeth Votruba-Drzal, PhD, Department of Psychology; Learning, Research and Development Center, University of Pittsburgh, PA
- 2021 – 2023 **Postdoctoral Fellow**, The Behavioral Immunology Laboratory; PI: Anna Marsland, PhD, Department of Psychology, University of Pittsburgh, Pittsburgh, PA
- 2021 – 2023 **Postdoctoral Fellow**, The Behavioral Neurophysiology Laboratory; PI: Peter Gianaros, PhD, Department of Psychology, University of Pittsburgh, Pittsburgh, PA
- 2016 – 2021 **Predoctoral Fellow and Graduate Research Assistant**, The Schreier Laboratory; PI: Hannah Schreier, PhD; Department of Biobehavioral Health, The Pennsylvania State University, University Park, PA
- 2013 – 2016 **Graduate Research Assistant**, Study of Civic Engagement & Academic Identity Development; PIs: Michael Nakkula, EdD & Abigail Berry, EdD; Graduate School of Education, University of Pennsylvania, Philadelphia, PA
- 2009 – 2011 **Undergraduate Research Assistant**, Attitudes & Social Cognition Laboratory; PI: Jarrett Crawford, PhD; Department of Psychology, The College of New Jersey, Ewing, NJ

Direct Care Experience

- 2014 - 2016 **Psych Specialty Counselor**, Matilda H. Theiss Child Development Center University of Pittsburgh Medical Center, Pittsburgh, PA
- 2013 - 2014 **Mobile Therapist Intern**, Behavioral Health Rehabilitation Services T.W. Ponessa & Associates Counseling Services, Lancaster, PA
- 2012 - 2013 **School-Based Therapeutic Services Intern**, Stearne Elementary School Northeast Treatment Centers, Philadelphia, PA
- 2011 - 2012 **Patient Advocate**, Strawberry Mansion Health Center The Health Federation of Philadelphia & Philadelphia Health Corps, Philadelphia, PA

Relevant Skills

- Software R (primary), SPSS, Prism, REDCap, Qualtrics, Microsoft Office Suite
- Statistical General and generalized linear modeling, hierarchical linear regression, multilevel modeling, structural equation modeling, working knowledge of latent class analysis
- Wet Laboratory Trained in the safe handling of human blood products, sterilization techniques, regular and reverse-pipetting, and using and maintaining laboratory equipment (e.g.,

centrifuges, biosafety cabinets, incubators, autoclaves); experience with culturing cells for the measurement of stimulated cytokine production and glucocorticoid sensitivity and running ELISA kits for the measurement of markers of systemic inflammation (e.g., peripheral levels of interleukin-6, C-reactive protein) and latent virus regulation

Anthropometrics & Psychophysiology Assessment	Trained in using strain-gauge venous occlusion plethysmography to measure reactive hyperemia; electrocardiogram; pulse wave velocity using dual impedance cardiography to estimate arterial stiffness; collecting resting blood pressure and heart rate using oscillometric methods; measuring height, weight, waist and hip circumference; measuring body fat percentage using a Tanita device
Psychosocial Assessment	Trained in the delivery of semi-structured interviews including the Life Stress Inventory (LSI); cursory experience with qualitative research and coding of interview transcripts
Direct Care	Trained in Child-Parent Psychotherapy, Parent-Child Interaction Therapy, and Comprehensive Crisis Management; provided therapeutic services in school, community, and home settings; experience delivering developmental, psychosocial, and trauma-informed assessments (e.g., BASC-3, PRQ, TESI, TSCYC, and DP-3); experience facilitating CARE, a community outreach program to support family relationships
